### JOB HIGHLIGHTS

- According to FederalReporting.gov, a government-wide data collection system, EM Recovery Act sites reported a total of **11,183** full-time equivalent (FTE) employees between July and September 2010.
- Also, EM collects a cumulative number of workers — which now is **27,817** — that represents all workers who have benefited from Recovery Act funding since the start of the program in early 2009. That figure includes part-time, temporary, and full-time workers.

\* FTEs reported in FederalReporting.gov as of 11/2/2010
